- (c) whether the Government has received any representations from State Government of Gujarat for providing funds in an equitable manner under SSA and also to provide special central assistance to over a lakh primary school teachers appointed prior to coming into force of SSA and if so, the response of the Government thereon?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT
(SHRI UPENDRA KUSHWAHA)**

(a) & (b): No, Madam. Under the Sarva Shiksha Abhiyan (SSA), a centrally sponsored scheme, State Governments/UTs are provided financial assistance as per the guidelines and norms of SSA. As per the SSA framework of implementation, the States/UTs are not entitled for financial support for activities that have already been implemented by them. The SSA framework for financial norms stipulates that States would need to maintain their level of

investment in elementary education as in 1999-2000. The Annual Work Plan and Budget of the respective State government/UT under SSA is approved after detailed appraisal and deliberation in the Project Approval Board (PAB) meeting. This gives full opportunity to all States to place their requirement before the Central Government for seeking assistance under the SSA.

(c): Representations have been received from the State Government of Gujarat regarding funding of 1 lakh teachers' salary from funds released under SSA. Funds under the SSA programme are provided by the Central Government to States/UTs based on approved norms and guidelines of the scheme. As these teachers were appointed prior to the implementation of SSA scheme, their salary would not be permissible under SSA. The investment undertaken by the State Government prior to the SSA is not covered under the SSA.
