

**GOVERNMENT OF INDIA  
MINISTRY OF COMMUNICATIONS  
DEPARTMENT OF TELECOMMUNICATIONS**

**LOK SABHA  
STARRED QUESTION NO.181  
TO BE ANSWERED ON 15<sup>TH</sup> MARCH, 2017**

**BHARAT NET PROJECT**

\*181. SHRI KESINENI NANI:  
SHRIMATI P.K.  
SREEMATHI TEACHER:

Will the Minister of COMMUNICATIONS be pleased to state:

- (a) whether the Bharat Net Project has been launched in mission mode to connect all Gram Panchayats to provide high speed internet services in the country and if so, the details thereof;
- (b) the number of Gram Panchayats that have been connected through optical fibre under the project, State/UT-wise along with the number of Gram Panchayats which are yet to be linked, State/UT-wise;
- (c) whether the Government has taken cognizance of the delay in the progress of the said project and if so, the details thereof and the reasons therefor along with the corrective action taken by the Government in this regard;
- (d) the funds allocated/released/utilized for the project during each of the last three years and the current year and the time by which the said project is likely to be wholly operational; and
- (e) the details of other projects implemented under the Universal Service Obligation Fund (USOF) to augment mobile and internet connectivity across the country along with the fund generated through USOF and utilized during the last three years?

**ANSWER**

**THE MINISTER OF STATE (IC) OF THE MINISTRY OF COMMUNICATIONS &  
MINISTER OF STATE IN THE MINISTRY OF RAILWAYS  
(SHRI MANOJ SINHA)**

(a) to (e) A Statement is laid on the Table of the House.

**Contd.....2/-**

**STATEMENT TO BE LAID ON THE TABLE OF THE LOK SABHA IN RESPECT OF PARTS (a) TO (e) OF LOK SABHA STARRED QUESTION NO.181 FOR 15<sup>TH</sup> MARCH, 2017 REGARDING “BHARAT NET PROJECT ”.**

(a) BharatNet project is being implemented with the objective to create network infrastructure for providing Broadband connectivity of 100 Mbps to all Gram Panchayats (GPs) (approx. 2,50,000) in the country. Bharat Broadband Network Limited (BBNL) is the special purpose vehicle (SPV) to implement, operate and manage the project. The Phase-I to connect 1,00,000 GPs by laying underground Optical Fibre Cable (OFC) is being implemented through three CPSUs namely, BSNL, RailTel & PGCIL. Non-discriminatory access is to be provided to the service providers for provision of services.

(b) The State/UT-wise list of GPs which have been connected by optical fibre cable under BharatNet is at **Annexure-I**.

(c) Government has taken cognizance of the delay in the project and identified the reasons for delay and taken corrective actions as under :

1. Reasons for delay :

- (i) Delay in the initial commencement of project due to field survey of GPs to assess the cable route and length, and pilot testing of the technology model.
- (ii) Implementation of the project only through three CPSUs namely, BSNL, RailTel and PGCIL
- (iii) Connectivity to GPs only by laying underground OFC.
- (iv) Inadequate quality of BSNL fibre between Block and Fibre Point of Interconnect (FPOI) being used to connect GPs.
- (v) Centralised procedure of procurement and sourcing of equipment through BBNL.

2. Corrective actions taken :

- (i) Telecom Commission approved revised implementation strategy on 30.04.2016. According to revised strategy
  - a. Implementation of the project is to be done in phases; Phase-I to connect 1,00,000 GPs by following the current methodology to connect by underground OFC; Phase-II to connect remaining GPs through optimal mix of underground/ aerial OFC, radio and satellite media.
  - b. Implementation of Phase-II through States and private sector in addition to CPSUs.
- (ii) Replacement of BSNL's existing fibre wherever the quality of the cable is not adequate.
- (iii) Work front for Phase-I has been increased to 1,25,000.
- (iv) Decentralised procurement of equipment through implementing CPSUs in addition to Bharat Broadband Network Ltd. (BBNL).
- (v) Empowered Committee under Secretary (T), Steering Committee under Administrator, USOF and State-level Committees have been set up for monitoring of the progress and resolution of issues.
- (vi) Operation & Maintenance (O&M) and revenue sharing arrangement between BBNL and BSNL has been approved by DoT.
- (vii) For laying of aerial OFC, advance funding to conduct GIS mapping of electricity poles has been provided to seven states.

**Contd.....3/-**

(d) The funds allocated/released/utilised for the BharatNet project during each of the last three years and the current year are given below:

Sl. No.	Year	Fund allocated (Rs. in crore)	Fund Utilized (Rs. in crore)
1	2012-13	405.00	405.00
2	2013-14	514.00	514.00
3	2014-15	1351.86	1351.86
4	2015-16	2415.10	2415.10
5	2016-17 (till Feb '17)	4616.83	4616.83
	<b>Total</b>	<b>9302.79</b>	<b>9302.79</b>

Phase-I to connect 1,00,000 GPs is scheduled to be completed by March, 2017. The connectivity to all the GPs is to be provided by December, 2018.

(e) The other projects being implemented by Universal Services Obligation Fund (USOF) to augment mobile and internet connectivity are as below :

- (i) Scheme to provide mobile connectivity in Left Wing Extremist (LWE) areas is under implementation through BSNL. So far, a total of 2186 mobile towers out of 2199 locations in ten states as identified by MHA and approved by the Cabinet, have started radiating.
- (ii) Other schemes funded by USOF include comprehensive telecom development plan for the North Eastern Region to provide mobile connectivity in 8621 uncovered villages, mobile connectivity in 172 uncovered villages in Andaman & Nicobar Islands, sub-marine OFC connectivity from mainland India (Chennai) to Port Blair, augmentation of satellite bandwidth in Andaman & Nicobar Islands and Lakshadweep Islands, augmentation of OFC network from district to sub-district headquarters in North East.

The funds generated through USOF and utilised is given below :

(Rupees in Crore)

Financial Year (1)	Funds Collected as USL (2)	Funds disbursed (3)
2013-14	7896.39	2163.45
2014-15	7537.88	2086.98
2015-16	9835.70	3100.00
2016-17 (Prov. Till Feb '17)	6907.79	4903.77
<b>Total</b>	<b>32177.76</b>	<b>12254.20</b>

Contd.....4/-

## BharatNet Phase-I Status as on 05.03.2017

Sr. No	State	Total GPs	GPs in Phase-1	Pipe laid	Cable laid	Pipe laid	Cable laid	GPs Lit
