**STATEMENT REFERRED TO IN ANSWER OF PART (a) TO (e) OF THE
LOK SABHA STARRED QUESTION NO. 428 TO BE ANSWERED ON 31st
MARCH, 2017.**

(a) to (c): Ministry of Corporate Affairs organizes Investors Awareness Programmes (IAPs) in partnership with the three Professional Institutes, namely Institute of Chartered Accountants of India (ICAI), Institute of Company Secretaries of India (ICSI), and Institute of Cost Accountants of India (ICoAI), with the objectives of creating awareness amongst the investor about fraudulent schemes and facilitating informed investment decisions. IAPs, in the form of audio visual programmes, are also being organized in the rural areas through Common Service Centers set up under Ministry of Electronics and Information Technology.

Financial allocation for each programme varies between Rs 25,000 to 35,000. At towns and district headquarters levels the programmes are organized through Resource persons (RPs) appointed by the Professional Institutes at a unit outlay @ Rs 5000 each. For North-Eastern states, the financial allocation for each programme is Rs 30,000/- per programme conducted by Professional Institutes and Rs 7000/- per programme conducted through RPs. The expenditure on each programme depends on the number of participants in the programme.

State/UT wise details of the programmes conducted during the current year and last three years are at Annexure-I. State wise figures of allocation and utilization are being collected and would be provided.

(d)& (e): The Investor Awareness Programmes are conducted to prevent investment in companies floating fraudulent schemes. While no specific estimate exists, however, a list of companies against whom action has been initiated for indulging in Ponzi schemes/multi-level marketing is enclosed at Annexure II.
