**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT**  
**(SHRI RAM KRIPAL YADAV)**

(a) to (d): Rural areas of the country have relatively higher poverty ratio, higher unemployment rate and lower literacy level. In terms of health indicator like, Infant Mortality Rate (IMR) also rural areas are behind the urban areas.

The Ministry of Rural Development, inter alia, is implementing Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA), Deendayal Antyodaya Yojana - National Rural Livelihood Mission (DAY-NRLM), Deen Dayal Upadhyay - Gramin Kaushalya Yojana (DDU-GKY), Pradhan Mantri Awaas Yojana -Gramin (PMAY-G), Pradhan Mantri Gram Sadak Yojana (PMGSY) and National Social Assistance Programme (NSAP) to bring about overall improvement in the quality of life of the people in rural areas through employment generation, strengthening of livelihood opportunities, promoting self-employment, skilling of rural youth, provision of social assistance and other basic amenities. In addition to the programmes for Rural Development, the Government is also implementing major flagship programmes like National Health Mission (NHM), Sarva Shiksha Abhiyan, Rashtriya Madhyamik Shiksha Abhiyan, Integrated Child Development Services and National Food Security Act to improve health, education and nutritional status. These programmes are implemented across all States and Union Territories. As per the Reports>Returns received from the States/UTs, the implementation of these programmes has been found to be satisfactory. The condition of rural population has improved with the implementation of these programmes.
