- (b) if so, the details thereof; and**
- (c) the time by which it is likely to be made operational?**

ANSWER

Minister of State in the Ministry of CIVIL AVIATION

नागर विमानन मंत्रालय में राज्य मंत्री

(Shri Jayant Sinha)

(a) to (c): Indira Gandhi International Airport (IGIA), Delhi has adopted first-of-its-kind Green Building Performance Monitoring Platform - 'Arc' developed by the US Green Building Council (USGBC) for Terminal 3, Delhi Airport. The adoption of "Arc" is in line with the continued focus on Environment Sustainability and is aligned to make Delhi a Smart airport. Arc facility is already operational.
