**(a) to (e): Government is pursuing several measures to realize progressively higher levels of indigenization and self reliance in the defence sector. To this end, the Defence Procurement Procedure 2016 (DPP 2016) has provisions which accord higher priority to procurement from Indian vendors. Notwithstanding this, import of defence equipment may be necessitated to meet operational requirements and when indigenous equipment is not available.**

Year	Expenditure (Rs. in crore)
