As per the information furnished by RBI, State-wise number of education loan accounts and amount outstanding (classified as priority sector advances) including State of Uttar Pradesh for the last three years and current year is given at **Annex-I**.

(c) The loans are sanctioned as per the guidelines laid down by Indian Banks' Association (IBA) from time to time. Presently, as per revised IBA Scheme, the eligibility criteria is as under:

- The student should be an Indian National.
- Should have secured admission to a higher education course in recognized institutions in India or abroad through Entrance Test/ Merit Based Selection process after completion of High School Certificate (HSC) (10 plus 2 or equivalent). However, entrance test or selection purely based on marks obtained in qualifying examination may not be the criterion for admission to some of the post graduate courses or research programmes. In such cases, banks will have to adopt appropriate criteria based on employability and reputation of the institution concerned.

Note: It would be in order for banks to consider a meritorious student (who qualifies for a seat under merit quota) eligible for loan under this scheme even if the student chooses to pursue a course under Management Quota.

As per data furnished by RBI, Bank-wise details of education loans disbursed by Public Sector Banks (classified as priority sector advances), for the last three years is given at **Annex-II.**

(d) and (e) The Model Education Loan Scheme is modified from time to time by Indian Banks' Association (IBA) keeping in view the needs of the students. The last such revision was done in August, 2015. Under the revised scheme, repayment period has been extended upto 15 years besides one year moratorium for repayment after completion of studies in all cases. There is also a provision for moratorium taking into account spells of unemployment/under-employment, say two or three times during the life cycle of the loan. Moratorium may also be provided for the incubation period if the student wants to take up a start-up venture after graduation.

In order to facilitate easy processing and disbursement of loans, Government has launched a web-based portal namely, Vidya Lakshmi Portal. Students can view, apply and track the education loan applications online by accessing the portal. Government of India has launched a Credit Guarantee Fund Scheme for Education Loans (CGFSEL) wherein collateral free loan is given upto Rs.7.5 lakh.
