#### LS.US.Q.NO. 1947 DETED FOR 14.03.2017

Governments are primarily responsible for protecting the life and property of the citizens including compliance to the special provision for SC/ST victim and witness under Chapter IVA of the Schedules Castes and Scheduled Tribes (Prevention of Atrocities) Act. Law Commission of India in its 198<sup>th</sup> Report gave its recommendations on "Witness Identity Protection & Witness Protection Programme". Based on recommendations, the Bill was circulated to the State Governments/ Union Territory Administrations for their views. As there was no consensus among the States, the matter was referred to Bureau of Police Research & Development (BPR&D) on 03.11.2016 to examine the matter having regard to the observation of the states and feasibility of an implementable Identity Protection Programme and supporting Law so as to enable Government to take a considered view.

(d): There is no separate data maintained centrally on FIRs lodged against the State security personnel by the victims, the action taken against the guilty personnel and the interim relief provided to the victims. (e): States are empowered to constitute Special Investigation Team (SIT) or refer the case to Criminal Investigation Department including Central Bureau of Investigation.
