- (a) the share of the air transport in the total exports of the country (by value and by volume) during the last three years;  
(b) the list of airports with international cargo facility and share of each airport in total air cargo traffic; and  
(c) the details of new international cargo airports that the Ministry proposes to set up, including those in Punjab, State/ UT-wise?

**ANSWER**

**Minister of State in the Ministry of CIVIL AVIATION**

**नागर विमानन मंत्रालय में राज्य मंत्री**

**(Shri Jayant Sinha)**

---

(a) As per Directorate General of Commercial Intelligence and Statistics (DGCI&S), Kolkata, the share of the air transport in the total exports of the country in terms of value for the last three years are as under:

Year	% Share of Air Transport in the total exports
2013-14	19.76
2014-15	21.87
2015-16	23.49

As per DGCI&S, different commodities being exported have different units of measurement, viz kilograms, square meters, numbers, carats etc. hence calculation of volume of exports in a single unit is very difficult and will not give an accurate figure.

(b) The list of airports with international cargo facility and share of each airports in total air cargo traffic is at Annexure-1.

(c) As on date there is no proposal with Ministry of Civil Aviation to set up a new dedicated International Cargo Airport.
