ANSWER

MINISTER OF WOMEN AND CHILD DEVELOPMENT
(SHRIMATI MANEKA SANJAY GANDHI)

- (a) & (b) No, Madam.
- (c) & (d) Does not arise at this stage.
- (e) & (f) The objective of the new NNM is to ensure that every child, adolescent girl and woman attains optimal nutritional status. The focus is on preventing and reducing under nutrition among the mothers and under-six years' children. The Mission endeavours to implement these interventions through existing schemes by bringing operational efficiency, improved outcomes through convergence mechanism, ICT enabled Real Time (RTM) Monitoring, nutrition surveillance, making nutrition visible, community monitoring and mobilization, gap filling, periodical reviews with suggested solutions and strengthening field level human resource, etc.

The goal of new National Nutrition Mission (NNM) is to achieve improvement in nutritional status of Children (0-6 years), Adolescent Girls and Pregnant Women & Lactating Mothers in a time bound manner from the time of implementation with fixed targets.
