

GOVERNMENT OF INDIA  
MINISTRY OF DEFENCE  
DEPARTMENT OF DEFENCE  
LOK SABHA

UNSTARRED QUESTION NO.2673

TO BE ANSWERED ON THE 17<sup>TH</sup> MARCH, 2017

WEATHER CONTROL AND MODIFICATION TECHNIQUE

2673. DR. SANJAY JAISWAL:

Will the Minister of DEFENCE please be pleased to state:

- (a) whether the Government has taken note of threat posed by weather control and modification techniques developed by the neighbouring country China;
- (b) if so, the details thereof; and
- (c) the corrective measures taken by the Government in this regard?

A N S W E R

MINISTER OF STATE  
IN THE MINISTRY OF DEFENCE

रक्षा राज्य मंत्री

(DR. SUBHASH BHAMRE)

(डा. सुभाष भामरे)

**(a) to (c): Government has seen reports about weather modification infrastructure established by Chinese Meteorological Administration which deals with weather modification requirements to help agricultural production, alleviate water scarcity, disaster prevention and mitigation and protect ecology etc within the geographical domain of China. However, Government keeps a close watch on all developments having a bearing on our national security and takes necessary measures to safeguard it.**
