ANSWER

MINISTER OF STATE IN THE MINISTRY OF FINANCE

(Shri Arjun Ram Meghwal)

(a) & (b) Government launched Gold Monetisation Scheme and Sovereign Gold Bond Scheme in November, 2015. The Gold Monetisation scheme intends to mobilize the idle gold held by households and institutions in the country and to put this gold into productive use and in the long-run, to reduce the current account deficit by reducing the country's reliance on imports of gold to meet the domestic demand. The Sovereign Gold Bond was launched to reduce the demand for physical gold by providing an alternative investment instrument linked to gold.

During the current financial year till 18/2/2017, 4943 kilograms (approx.) of gold have been mobilized under the Gold Monetisation Scheme. Further, in financial year 2016-17 four tranches of Sovereign Gold Bond have been issued and so far Rs. 3468.5 crore (approx.) has been collected.

(c) The details of the gold imported during the last three years and during the current financial year (upto January, 2017) are as under:

YEAR	QTY(TON)
2013-14	661.71
2014-15	915.47
2015-16	968.06
2016-17 (April 2016 to January 2017)	560.32

NOTE: FIGURES FOR 2016-17 (APR TO JAN) IS PROVISIONAL.

(d) & (e) The Government from time-to-time consults different stakeholders to make assessment of the schemes and makes changes accordingly, which is an ongoing process.
