**(b) & (c):** No, Madam. A Writ Petition(Civil) No. 19 of 2016 has been filed in Hon'ble Supreme Court by Shri S.N. Bhardwaj Advocate with the prayer seeking direction to Union Government, inter-alia, on creation of a 'single unified authority' to look into management and protection of defence lands. Hon'ble Supreme Court has issued notice in the matter.

**(d)** The extent of Defence land as on 31/03/2013 was 11456 acre, which has been reduced to 10220 acre at present.

Further, Detection, prevention and removal of encroachments is an ongoing process. While old encroachments are being removed gradually, due efforts are being made not to allow new encroachments and to take prompt action against such cases.

Following steps have been taken to remove encroachments from Defence land:

**(i)** Defence land records management system has been strengthened by computerization of defence land records held by Defence Estates Officers and Cantonment Boards.

**(ii)** Court cases are being pursued to evict encroachers.

**(iii)** Close liaison is being maintained with revenue and civil police authorities to detect attempt to encroach upon the defence land by encroachers.

**(iv)** State authorities are approached for removal of encroachers.

**(v)** Defence lands located in isolated locations are fenced and regular patrolling is being carried out to safeguard the land from encroachers and unauthorized construction.

**(vi)** Verification of Defence land is being carried out regularly through Board of Officers, with the representatives of Defence Estates Officers and Land Revenue Authorities.

**(vii)** Eviction notices are issued from time to time as per due process of law under the provisions of PPE Act,1971.

**(e)** There is no proposal to allot defence land to common public. Certain Defence lands which appear to be lying vacant/ unused are meant for use by Military Establishments for purposes such as training, mobilization practice, sports, parade, Construction of Key Location Plans (KLP) and Married Accommodation etc. However, whenever defence land is required for public utility or infrastructure development projects, MoD allots such land to the concerned Central or State Govt. authorities provided strategic and security interests are not adversely affected.
