ANSWER

MINISTER OF SATE IN THE MINISTRY OF TRIBAL AFFAIRS (SHRI JASWANTSINH BHABHOR)

- (a) & (b): As informed by National Crime Records Bureau (NCRB), the specific information pertaining to tribal women is not available with the Bureau. However, as per available information, a total of 161 cases in 2013, 160 cases in 2014 and 136 cases in 2015 were reported in which persons were killed due to witchcraft (includes cases reported under murder (Section 302 IPC) and culpable homicide not amounting to murder (Section 304 IPC)). State/UT-wise, including Assam, total number of cases of murder (Section 302 IPC) and culpable homicide not amounting to murder (Section 304 IPC) under witchcraft during 2013-2015 are given at Annexure. As informed by NCRB, data for the year 2016 is under collection.
- (c)& (d): As per the seventh schedule, "police" and "public order" are the State subjects under the Constitution and as such the primary responsibility of prevention, detection, registration, investigation and prosecution of crimes including witch-hunting, lies with the State Government/Union Territory Administrations. National Commission for Women (NCW) conducts seminars and workshops from time to time to create awareness on the issue and discourage such practices.

Also, the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) {PoA} Act, 1989 as amended, prescribes punishment for causing physical harm or mental agony of a member of a Scheduled Caste or a Scheduled Tribe on the allegation of practicing witchcraft or being a witch. As the responsibility of implementation of PoA Act primarily lies with the State Governments / UT Administrations, action has to be taken by them to effectively implement provisions of this Act.As regards expenditure incurred, while releasing grants to States under Article 275(1) of the Constitution and Special Central Assistance to Tribal Sub Plan, Ministry of Tribal Affairs has advised the States that at least 30% of the total beneficiaries should be women/ girls.
