- (c) the manner in which the country is likely to be benefited after the extension of AMP 2016 to 2026?

**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI BABUL SUPRIYO)**

(a)&(b): Automotive Mission Plan 2026 has been finalized jointly by the Government of India and Indian Automotive Industry. The objective of the Automotive Mission Plan 2026 includes:

- i. To propel the Indian Automotive industry to become the engine of the “Make in India” programme.
- ii. To make the Indian Automotive Industry a significant contributor to the “Skill India” programme.
- iii. Promote safe, efficient and comfortable mobility for every person in the country, with an eye on environmental protection and affordability through both public and personal transport options.
- iv. To seek increase of net exports of the Indian Automotive industry several fold.
- v. Promote comprehensive and stable policy dispensation for all regulations impacting the industry.

(c): The AMP 2026 is aimed at bringing the Indian Automotive Industry among the top three of the world in engineering, manufacture and exports of vehicles & components; growing in value to over 12% of India GDP and generating an additional 65 million jobs.
