

GOVERNMENT OF INDIA
DEPARTMENT OF ATOMIC ENERGY
LOK SABHA
UNSTARRED QUESTION NO: 3290
TO BE ANSWERED ON 22.03.2017

ATOMIC ENERGY EDUCATION SOCIETY

3290. SHRI PRAHLAD SINGH PATEL:

Will the PRIME MINISTER be pleased to state:

- (a) the salient features and the objectives of the Atomic Energy Education Society (AEES) in the country;
- (b) the number of schools and colleges established under AEES in the country State/ UT-wise and the number of students getting educated in these schools and colleges, State/UT-wise;
- (c) the funds allocated/released/spent by the Government in this regard; and
- (d) whether the Government proposes to start more such schools and colleges under the AEES in the country, especially in Madhya Pradesh and if so, the details thereof including the funds allocated by the Government for the said purpose, State/ UT-wise?

ANSWER

THE MINISTER OF STATE FOR PERSONNEL, PUBLIC GRIEVANCES & PENSIONS AND PRIME MINISTER'S OFFICE (Dr. JITENDRA SINGH) :

- (a) The salient features and the objectives of Atomic Energy Education Society (AEES) are as under:
 - (i) To establish and run educational institutions such as schools, Jr.colleges etc., to educate the children of the employees of the constituent and aided units of Department of Atomic Energy(DAE), from preparatory upto Std. XII and vocational education through the media of instruction adopted by the society from time to time.
 - (ii) To assist special schools through charitable organisations for the handicapped children of the employees of the constituent and aided units of Department of Atomic Energy.

- (iii) To promote or engage in any other activities in the attainment of the above objectives.
- (b) Presently, 30 Schools/Jr. colleges are running under the aegis of AEES in the country. The location of each school and the number of students getting educated in each School/Jr. college are brought out in Annexure-1. Students from the neighboring areas are also being accommodated in AEES under Right to Education (RTE).
- (c) For the financial year 2015-16, a total sum of ₹122.92 crore was released as grant-in-aid to run Schools/Jr. colleges by AEES.
- (d) Yes, Sir. AEES will open a school up to primary level at Pazhayakayal in Tamil Nadu State from the next academic session for the wards of DAE employees stationed at Zirconium Plant, Pazhayakayal and Heavy water Plant, Tuticorin (Tamil Nadu). AEES is running a school at Indore (Madhya Pradesh) for the wards of Raja Ramanna Centre for Advanced Technology's employees. No new school is proposed to be opened by AEES in Madhya Pradesh now.

Annexure referred to in the reply to part (b) of the Lok Sabha Unstarred Question No. 3290 due for answer on 22.03.2017.

Annexure- 1
