

**GOVERNMENT OF INDIA
MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP**

LOK SABHA

**UNSTARRED QUESTION NO. 3382
TO BE ANSWERED ON 22.03.2017**

PPP in ITIs

3382 SHRI PREM DAS RAI:

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

- (a) whether the Government proposes to introduce a public-private partnership (PPP) in operating ITIs to ensure job placements post vocational training and if so, the details thereof;
- (b) the measures being considered/ implementation to measure the impact especially in North Eastern States; and
- (c) if so, the details thereof?

ANSWER

**MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI RAJIV PRATAP RUDY)**

(a) to (c) Ministry of Skill Development & Entrepreneurship has implemented 'Dual System of Training' in ITIs with effect from August, 2016 to improve job placements for the passed-out trainees by improving the connect between industry and ITIs. This system enables industries to partner with Government & Private ITIs for conducting training programmes under high employability courses to fulfil the needs of industries. The scheme is optional for existing NCVT affiliated ITIs. Initially, top ten popular trades have been taken up under 'Dual System of Training'.

In addition to above, Ministry of Skill Development & Entrepreneurship is assisting State Governments in modernization and upgradation of Government Industrial Training Institutions (ITIs) through various schemes. Under the scheme of 'Upgradation of 1396 Government ITIs through Public Private Partnership (PPP)', a total of 1227 Government ITIs have been covered in 31 States/ UTs. State/ UT-wise number of ITIs covered, including North Eastern States, is at **Annexure-I**. Interest free loan @ Rs 2.50 crore / ITI was released directly to the Institute Management Committees (IMC) Society of ITIs. IMC Society is headed by Industry Partner. Funds were released during the XI plan period and release of funds closed in March 2012. The scheme objective was to improve the quality of vocational training and make it demand driven so as to ensure better employability of the graduates. As per scheme evaluation in 2012, the average placement percentage was 66%.

Annexure-I**Funds allocated under the scheme of 'Upgradation of 1396 Government ITIs through Public Private Partnership (PPP)'**
