**THE MINISTER OF STATE (INDEPENDENT CHARGE)
FOR YOUTH AFFAIRS AND SPORTS
(SHRI VIJAY GOEL)**

(a) to (c): Education falling under the Concurrent List, majority of schools fall under State Examination Boards and the school curriculum is determined by the State Governments. However, the National Curriculum Framework 2005 recognizes the role of sports and physical education in the holistic development of children and youth in the country. As part of this policy, the Government has made access to play fields, equipment for sports & games and engagement of physical education instructor – a mandatory requirement for all schools under the Right to Education Act.

Further, the Central Board of Secondary Education (CBSE) places special importance on co-scholastic areas which includes sports and physical fitness. Details of salient measures taken by CBSE to promote sports in schools are given in the Annexure. It is expected that State Education Boards would also emulate the CBSE example.
