ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES, RIVER DEVELOPMENT AND GANGA REJUVENATION

(DR. SANJEEV KUMAR BALYAN)

(a) to (d) Water Resources projects are planned and implemented by the respective State Governments. Further, the concerned State Government and Project Authorities make assessment of number of people/families displaced due to such projects and formulate and implement project-wise Rehabilitation and Resettlement (R&R) Plans. To facilitate this process, Union Government has issued National Rehabilitation and Resettlement Policy 2007 (NRRP-2007) and "Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013" for smooth implementation of R&R action plan in respect of Project Affected Families. However, Compensation for project affected people is decided by the project authorities as per existing R&R policy of Centre/State whichever is more beneficial.

Further, a National monitoring committee for Rehabilitation and resettlement has been constituted to review and monitor the implementation of rehabilitation and resettlement schemes or plans under NRRP-2007 and Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013. The committee so far has held 5 meetings. Further, in this regard the details in respect of Sardar Sarovar Project & Polavaram Project are at **Annexure.**

(Annexure as referred to in reply to Part (a) to (d) of the Lok Sabha Unstarred Question No.3631 for reply on 23.03.2017 regarding Rehabilitation of Projects Affected Families).

* Monitoring & grievance addressing mechanism:

- ii. The Narmada Control Authority (NCA) is mandated for the monitoring of R&R activity related to SardarSarovar Project (SSP) - an interstate project. Accordingly NCA has constituted R&R sub-group chaired by Secretary to Government of India, Ministry of Social Justice and Empowerment with representatives from the NCA, party States and experts as member to ensure that the concerned State Governments(Madhya Pradesh, Maharashtra, and Gujarat) resettle/rehabilitate the displaced persons and the due compensation is paid to them as per NWDT Award and orders of grievance redressal authorities/courts.
