(a) to (c): During the year 2016-17, (122) technical institutions have sought permission for closing down for various reasons, including shortage of students. The State-wise details, including that of Chhattisgarh, of the institutions closed down during the academic years 2014-15, 2015-16 and 2016-17 is at annexure. Keeping in view the interests of students already studying in these institutions, prior approval of the AICTE is made mandatory for closure.
