ANSWER

**MINISTER OF STATE FOR SOCIAL JUSTICE AND EMPOWERMENT
(SHRI VIJAY SAMPLA)**

- (a) & (b): Funds which remain unutilized by the States in Financial year are not returned to the Government and are utilized in the subsequent financial year. The Central Government releases funds after adjusting outstanding balances of the States.
- (c): The reasons for underutilization of funds are (i) submission of incomplete proposals (ii) delay in verification of eligibility documents (iii) lack of coordination amongst implementing agencies (iv) non releases of funds in a time-bound manner.
- (d): Utilization of funds by States is monitored periodically through meetings and submission of reports. States have been directed to do Direct Benefit Transfer into beneficiary accounts to ensure speedy disbursement and utilization of funds.
