Will the Minister of AGRICULTURE AND FARMERS WELFARE कृषि एवं किसान कल्याण मंत्री be pleased to state:

- (a) whether the Government has taken any steps to promote the use of polish technologies for agriculture across the country and if so, the details thereof; and
- (b) the details of the funds sanctioned/ likely to be sanctioned for the purpose and the achievements made in this field, so far?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्रालय में राज्य मंत्री (SHRI S.S. AHLUWALIA)

(a) & (b): No, Madam. However, an Agreement with Poland in the field of agriculture and allied sectors has been approved for signing.

Likely benefits from signing such an agreement are in the nature of capacity building, knowledge exchange through visits of scientists and technicians, exchange of genetic resources etc. that aid in development of appropriate technologies and farm practices for enhancing agriculture productivity at farmer's field. Such cooperation also facilitates creation of opportunities for trade in agricultural commodities. India's strategic interests are also served through partnerships with other countries.
