ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF URBAN
DEVELOPMENT
(RAO INDERJIT SINGH)

(a) & (c) Yes, Madam. The Government had launched the Atal Mission for Rejuvenation and Urban Transformation (AMRUT) for assisting the States and Union Territories (UTs) in development of basic urban infrastructure in 500 cities. Under the Mission the Ministry approves the State Annual Action Plan (SAAP) of the States/UTs and releases the Central Assistance for implementation of the same. The SAAP of the States/UTs for 2015-16 and 2016-17 has already been approved. The funds released to the States are in the Annexure.

To ensure effective utilization of funds released under the Mission, the Ministry has communicated the entire Mission period allocation to the States/UTs. This will enable them to plan in advance, identify projects in priority sectors, ensure land availability and take preparatory action to take the projects forward expeditiously. Besides this, the States are fully empowered regarding preparation, appraisal and approval of Detailed Project Reports (DPRs) and their implementation. Further, the funds have been made fully fungible and States can use them as per actual progress of different projects.

- (d) No, Madam.
- (e) Water supply is a priority component under the AMRUT. An objective of the Mission is universal coverage of water supply in all Mission cities. There is no special package for the purpose.
