However, in order to expedite the justice delivery system for speedy disposal of cases of heinous crimes against women, children and elderly, the Government submitted a proposal as a component of its Memorandum to the 14th Finance Commission for setting up of 1800 FTCs with an allocation of Rs. 4144 crores which has ben endorsed in totality by the finance Commission. (b): The details thereof are given as Annexure-I.

(c) :The target date fixed by the Government for utilization of funds to establish fast track courts in States is 2015-20, i.e. the period of the 14th Finance Commission.

(d) : The number of functional fast track courts as on December 31, 2016 in the country is 524 and the State-wise breakup is given as Annexure-II.

(e) & (f): The 14th Finance Commission noted that the proposal of the Government was arrived at after an extensive consultation process with the States and merited favorable consideration. Consequently, the 14th FC endorsed the proposal to incur expenditure of Rs.4144 crore on 1800 FTCs for a period of five years (2015-20) and urged the State Governments to use the additional fiscal space provided by the Commission in the tax devolution from 32% to 42% to meet such requirements.

The Hon'ble Prime Minister vide his letter dated 23rd April, 2015 has urged the State Governments to allocate funds for the activities mentioned in the 14th FC recommendations from their State budget from 2015-16 onwards. This issue was also discussed in the CM/CJ Conference on 05th April, 2015 and 24th April, 2016 wherein it was resolved to strengthen the existing coordination and monitoring mechanism between the State Government and the Judiciary for effective implementation of the recommendations of the 14th FC.
