Ministry of Human Resource Development (MHRD) had launched Unnat Bharat Abhiyan (UBA) on 11th November, 2014 to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. The suggested inputs will be incorporated in the Gram Panchayat Development Plans to be considered for implementation by the District authorities.

(c) : MHRD has designated Indian Institute of Technology (IIT) Delhi as the Coordinating Institute for Unnat Bharat Abhiyan. A National Steering Committee has been constituted with some eminent scientists, technologists, educationist as well as representatives from different nodal Ministries of Government of India. Presently, 40 HEIs have identified clusters of villages after consultation with District Collectors. 26 HEIs have signed Memorandum of Understanding (MoU) with IIT Delhi to carry out further steps.
