THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a) to (c): Land is a State subject. Land for development of Special Economic Zones (SEZs) is acquired as per the policy and procedures of the respective State Governments. The Board of Approval for SEZs only considers the proposal for setting of new SEZs by the entrepreneur which have been duly recommended by the State Government concerned. The SEZ scheme is primarily private investment driven.

(d): Out of total notified area of 44,177.69 hectares in respect of 349 notified SEZs (including 7 Central Government SEZs and 11 State/Private Sector SEZs), 27029.77 hectares are lying vacant in these SEZs as on 31.01.2016. The vacant land is primarily with private sector or State Public Sector Units (PSU) developers. The development of land and allotment to units by the developers is done based on the demand and market conditions. The Government, on the basis of inputs/suggestions received from stakeholders on the policy and

operational framework of the SEZ Scheme, periodically reviews the policy and operational framework of SEZs and takes necessary measures so as to facilitate speedy and effective implementation of SEZ policy. At present 210 SEZs are operational.

(e) and (f): In this regard Writ Petition (Civil) Number 1044 of 2016 has been filed before Supreme Court by SEZ Farmers Protection Welfare Association. A reply has been filed by the Government. There is no restriction in SEZ Act for mortgaging land for raising loan from Banks.
