ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND
PUBLIC ENTERPRISES (SHRI BABUL SUPRIYO)**

(a) to (e): Department of Industrial Policy and Promotion have informed that the 'Make in India' initiative launched on 25th September, 2014 aims at promoting India as a important investment destination and a global hub in manufacturing, design and innovation. It is not a specific scheme but a broader nation building initiative to create a conducive environment for investment, development of modern and efficient infrastructure, opening up new sectors for foreign investment and forging a partnership between Government and industry through a positive mind set. At present, India ranks 130th in the world bank's annual Doing Business Report (DBR), 2017 as against 131st rank (revised) in the Doing Business Report, 2016.
