MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्रालय में राज्य मंत्री (SHRI PARSHOTTAM RUPALA)

(a): No, Madam. To understand the impact of demonetization on farming sector, Indian Council of Agricultural Research (ICAR)-National Institute of Agricultural Economics and Policy Research (NIAP) conducted a short survey of farmers in few villages around Delhi under Mera Gaon Mera Gaurav (MGMG) initiative. Survey findings could not establish any significant adverse effect of demonetization on input availability, market arrivals of produce and area sown in Rabi season. As per preliminary reports received from the States, the total area sown under Rabi crops as on 27th January, 2017 stands at 637.34 lakh hectares as compared to 600.02 lakh hectares this time in 2016 indicating no significant impact of demonetization on Rabi sowing.
