DRINKING WATER/SEWER LINES IN GUJARAT

No. 957. SHRI MANSUKHBHAI DHANJIBHAI VASAVA:

Will the Minister of URBAN DEVELOPMENT be pleased to state:

- (a) whether any allocation of funds has been made for providing drinking water and for laying sewer lines in Gujarat;
- (b) if so, the details thereof; and
- (c) the details of the works conducted in various cities in Gujarat using the said funds?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT
(RAO INDERJIT SINGH)

(a) to (c): Yes Madam. The Ministry of Urban Development, through Atal Mission for Rejuvenation and Urban Transformation (AMRUT) provides funds for strengthening basic urban infrastructure in Mission cities. A total of 31 cities of Gujarat have been selected under it. The Ministry has approved all the three State Annual Action Plans (SAAPs) of Gujarat under the Mission. The details of the Plans and allocation for water supply sector as well as sewerage and septage management are given as below:-

(Rs. in crore)

| SAAP year | Plan size | Central Assistance committed | Allocation to water supply sector | Allocation to sewerage and septage management sector |
|-----------------------------------|-----------|------------------------------|-----------------------------------|--|
| 2015-16 | 1204.42 | 564.30 | 233.65 | 916.07 |
| 2016-17 | 1401.00 | 599.18 | 561.00 | 628.80 |
| 3 rd & Final (2016-17) | 2279.00 | 906.48 | 906.00 | 1089.50 |

Under the Mission, the State Government is empowered to prepare, appraise and approve the project wise DPRs and implement the projects.
