- (b) whether the Government proposes to open new Kendriya Vidyalayas, Jawahar Navodaya Vidyalayas and Kasturba Gandhi Vidyalayas in the country and if so, the details thereof including the number of proposals received by the Government from various States in this regard along with the action taken thereon, proposal-wise;
- (c) whether the Government proposes to ease the conditions for allotment of land for establishment of new Kendriya Vidyalayas in the country and if so, the details thereof;
- (d) whether the Government proposes to open Kendriya Vidyalayas in each district headquarter of the country and if so, the details thereof along with the details of such districts where Kendriya Vidyalayas have not been opened so far; and
- (e) the details of the budget earmarked for opening new Vidyalayas in the current year's budget, State/UT-wise and the time by which all new Vidyalayas are likely to be opened?

ANSWER

**MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SHRI PRAKASH JAVADEKAR)**

(a) to (e): A statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF THE LOK SABHA STARRED QUESTION NO. 205 RAISED BY SHRI RAJAN VICHARE & SHRI RAOSAHEB DANVE PATIL, HON'BLE MPs TO BE ANSWERED ON 31ST JULY 2017 REGARDING KENDRIYA VIDYALAYAS/JAWAHAR NAVODAYA VIDYALAYAS/ KASTURBA GANDHI VIDYALAYAS.

(a) Details of the State/UT-wise number of Kendriya Vidyalayas (KVs), Jawahar Navodaya Vidyalayas (JNVs) and Kasturba Gandhi Balika Vidyalayas (KGBVs) in the country alongwith the seats available for students and the total sanctioned strength and actual strength of teachers in these Vidyalayas are at **Annexure-I**.

(b) Proposals for opening of new KVs are considered only if sponsored by Ministries or Departments of the Government of India, State Governments / Union Territories Administrations thereby committing resources for setting up a new KV as well as on the availability of necessary sanction of the Government. Opening of KVs is a continuous process which depends upon approval by competent authority, availability of funds and availability of suitable land free of cost from the sponsoring agency as well as availability of rent free temporary accommodation to operationalise the Vidyalaya.

The details of 142 proposals for opening of new KVs received from various States/UTs in the country along with action taken thereon are given in **Annexure-II**.

The Navodaya Vidyalaya Scheme provides for opening of one JNV in each district of the country. Opening of JNVs in new districts is a continuing process as per the availability of funds, willingness of the concerned State Government to provide requisite suitable land free of cost for construction of school buildings and temporary accommodation (free of rent) till completion of construction of permanent buildings. The Competent Authority had accorded approval for opening of 62 new JNVs in uncovered districts (as on 31.5.2014) out of which proposals have been received in respect of 45 districts. The details of the proposals and the status of action taken are at **Annexure – II (A)**.

The KGBV scheme provides for setting up of one residential upper primary school for girls from SC,ST,OBC and minority communities in each Educationally Backward Block (EBB) subject to certain conditions. As many as 3703 KGBVs have been sanctioned in the country and 3603 are operational. There are seats still available in the existing KGBVs. Proposals for 174 new KBGBVs were received from four States viz. Assam, Arunachal

Pradesh, Rajasthan and Telangana. Out of these, 120 proposals have been approved by the Project Approval Board (PAB) for the year 2017-18. The List of 54 proposals yet to be approved by PAB is at **Annexure-II (B)**.

(c) KVS has informed that the last revision of land norms was carried out by its Board of Governors, in its 106th meeting held on 15th November, 2016 and current land norms for establishment of a new KV under Civil / Defence sector are as under:

S. No.	Location	Minimum extent of land (Acres)	Desirable extent of land (Acres)
1.	Metropolitan cities and Hyderabad & Bangalore	2.5	5
2.	All other locations	5	10

These norms have come into effect on 20.1.2017. Further, for State Govt. sponsored KVs, the concerned State Government will take care that at least every third proposal sent by it fulfils the desirable extent of land norms.

(d) No such proposal is under consideration of the Government. The details of 148 districts in various States/ UTs in the country which do not have any KV are given at **Annexure-III**.

(e) Grant-in-Aid is provided to KVS under three distinct heads viz. Salaries, General and Capital Assets. This allocation is made on a consolidated basis and not State/UT-wise. As per the phasing of estimated expenditure (year wise) for opening of 50 new KVs, the earmarked amount for 2017-18 was Rs.295.92 crores. The competent authority had accorded approval for opening of 50 new KVs under challenge mode and the sponsoring authorities who fulfil the norms of KVS on first-come first-served basis will be accorded priority.

As proposals for opening of new KVs are considered only if sponsored by Ministries or Departments of the Government of India / State Governments / Union Territories Administrations thereby committing resources for setting up a new KV as well as on the availability of necessary sanction of the Government, no specific time frame can be given in this regard.
