- (a) Yes, Madam. The Foundation Stone for four-laning of National Highway (NH) No.73 (new NH No. 7 & 344) from Panchkula to Yamunanagar (up to Haryana / Uttar Pradesh border) via Saha was laid by the Hon'ble Minister for Road Transport & Highways and Shipping at Village Saha (Haryana) on 20-07-2015. The details and present status of the project are at '**Annexure-A**'.
- (b) & (c) As per the announcement made by the Hon'ble Minister for Road Transport & Highways and Shipping at Pinjore (Haryana) on 01-05-2017, necessary action for giving 'in-principle' approval for declaration of the road from Khangesra to Kala Amb as new NH is under consideration in this Ministry. For four-laning of NH-73A (new NH-907) from Yamunanagar to Haryana / Himachal Pradesh border, this NH has been entrusted to the National Highways Authority of India (NHAI) on 09.05.2017, who will carry out the four-laning work after completion of the DPR. At present, NH-73A (new NH-907) from Haryana / Himachal Pradesh border to Paonta Sahib via NH-72 (new NH-7) is having traffic less than 10,000 PCUs per day. As per the policy of this Ministry, decision for its four-laning will be taken subsequently based on the traffic. As regards four-laning of road from Pehowa to Yamunanagar, this road has already been given 'in-principle' approval for declaration as new National Highway subject to the outcome of the DPR, which is being prepared by the Indian Academy of Highway Engineers (IAHE), Noida (U.P.).
- (d) As per the details given at '**Annexure-A**', the estimated cost of four-laning of NH-73 (new NH No. 7 & 344) from Panchkula to Yamunanagar (up to Uttar Pradesh border) via Saha having a length of 106 km is Rs. 1202.76 Cr. For other roads mentioned at reply to Part (b) & (c) of the question, at present, it is pre-mature to give the estimated cost.
