ANSWER

पेट्रोलियम एवं प्राकृतिक गैस मंत्रालय में राज्य मंत्री (स्वतंत्र प्रभार) (श्री धर्मेन्द्र प्रधान)
MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF
PETROLEUM & NATURAL GAS (SHRI DHARMENDRA PRADHAN)

(a) Indian Oil Corporation Limited (IOCL) has informed that it has introduced 450 Kg. capacity LPG cylinders under Non-domestic category to meet the demand of high consuming commercial industrial customers at Coimbatore.

(b) It has been informed by IOCL that Coimbatore LPG Bottling Plant has been granted permission to bottle 450 kg capacity LPG cylinders by Petroleum and Explosives Safety Organisation (PESO). Further, as per Gas Cylinder Rule 2016, license is not obligatory for working places, where LPG cylinders are directly connected to the manifold installations constructed complying the requirements of IS:6044 Part I and adapting sound engineering practices.

(c) to (e) The Government has launched a multilingual LPG Emergency Helpline Number 1906 on 1.1.2016. This facility is available 24*7 operations with 2 shifts of 12 hours each for attending emergency LPG leakage complaints. The call center is having a web based application for logging, viewing and monitoring the call logs & updation of the contact details of the mechanic & field officers. OMCs have reported that since launch of the helpline number till 16.07.2017, they have received 3,59,886 complaints and have been attended to resolve the complaints.

Further, in order to have a more convenient, easy and effective way to enable the customer to air their complaints, an unique toll free number 18002333555 is in operation for complaint registration through call centres on Industry basis. Customers can also register their grievances online on www.indane.co.in or www.mylpg.in
