LOK SABHA
UNSTARRED QUESTION NO. 1298
TO BE ANSWERED ON 24TH JULY, 2017

JOB CRISIS

1298. SHRI JITENDRA CHAUDHURY:

Will the Minister of LABOUR AND EMPLOYMENT be pleased to state:

- (a) whether the Government is aware of the apprehension raised from various quarters about increased job crisis in the country in near future;**
- (b) if so, the details thereof and the reaction of the Government thereto;**
- (c) whether the Government has taken note of firing of large number of employees in the private sector;**
- (d) if so, the details thereof; and**
- (e) the steps taken/being taken by the Government in this regard?**

ANSWER

MINISTER OF STATE (IC) FOR LABOUR AND EMPLOYMENT
(SHRI BANDARU DATTATREYA)

(a) to (e): Employment generation has been one of the most important priorities of the Government. Employment generation is both a cause and consequence of economic growth and is impacted by demographic shifts and technological transformations.

Reliable estimates of employment and unemployment are obtained through labour force surveys conducted by National Sample Survey Office (NSSO), Ministry of Statistics & Programme Implementation. In addition, Labour Bureau, Ministry of Labour & Employment also conducts employment and unemployment surveys.

Labour Bureau has been conducting Quarterly Quick Employment Surveys in the selected labour intensive and export-oriented sectors namely textiles, leather, metals, automobiles, gems and jewellery, transport, IT/BPO and handloom/ powerloom to assess the effect of economic slowdown on employment in India since September, 2008. The coverage of the quarterly Quick Employment Survey has also been enhanced during 2016 with more industries/sectors and as per the results of the Survey during 2016, the net addition of jobs in these sectors is estimated to be 2.31 lakhs.

Government has taken various steps for generating employment in the country like encouraging private sector of economy, fast tracking various projects involving substantial investment and increasing public expenditure on schemes like Prime Minister's Employment Generation Programme (PMEGP), Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGA), Pt. Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY) Deendayal Antyodaya Yojana- National Urban Livelihoods Mission (DAY-NULM). The Make in India, Skill India, Digital India schemes are being implemented by the Government and these are likely to enhance the employment base. MUDRA and START UPS scheme are being initiated by the Government for facilitating self employment.

Loans under Pradhan Mantri Mudra Yojana (PMMY) Scheme have been extended by banks, Non Banking Financial Companies (NBFCs) and Micro Finance Institutions (MFIs) to small/micro business enterprises by providing loans upto 10 lakh for manufacturing, processing, trading, services and activities allied to agriculture for promotion of self-employment.

A new Scheme "Pradhan Mantri Rojgar Protsahan Yojana" has been initiated by the Ministry of Labour and Employment in the year 2016-17 for incentivising industry for promoting employment generation with the allocation of Rs. 1000 crore. Under this scheme employers would be provided an incentive to enhance employment where the Government will pay the employer's contribution of 8.33% EPS made to new employees. In textiles (apparel and made-ups) sector, the Government will also pay the 3.67% EPF contribution of employers in addition. Government has announced a booster package of Rs 6000 crores for the textile sector which is an employment intensive sector.

Government has also implemented the National Career Service having a portal (www.ncs.gov.in) for online registration and posting of jobs for job-seekers and provide other employment related services.
