**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT  
(SHRI UPENDRA KUSHWAHA)**

- (a): As per last year practice some students had applied for verification of marks and photocopy of answer scripts online. Since the process of verification and photocopy is still going on, details can be provided after completion of the process.
- (b): There have been some variations in totaling of marks during verification of marks/scrutiny which has been communicated to the students and revised marks statement issued. This year total No. 106981 cases of Verification of Marks has been received in all the 10 Regions of the Board. The said variations are due to totaling of marks, posting of marks, unassessed portion, transfer of marks from inside the answer book to the main cover page.
- (c): There is no such proposal before the Government (Ministry of Human Resource Development). However, the Central Board of Secondary Education has formed two Committees for bringing in systematic reform in pre and post examination.

(d): The revaluation system was started in 2014 and was in vogue in 2014, 2015 and 2016. This was scrapped as per the decision of the Board's Examination Committee dated 13.05.2016 and Governing Body dated 29.06.2016, for 2017 examination & onwards since the changes were minuscule. However, orders of the Hon'ble Court directing scrutiny has been complied.

(e): It has been stated by CBSE that no such request has been received from National Progressive Schools Conference in this regard.
