ANSWER

वाणिज्य एवं उद्योग राज्यमंत्री (स्वतंत्र प्रभार)(श्रीमती निर्मला सीतारमण)

**THE MINISTER OF STATE (INDEPENDENT CHARGE)
OF THE MINISTRY OF COMMERCE & INDUSTRY
(SHRIMATI NIRMALA SITHARAMAN)**

- (a) to (d):** While approving the new Model Bilateral Investment Treaty (BIT) text in 2015, Government had also approved the proposal to terminate those out of total 83 existing BITs that India had signed with other countries, whose initial validity period had expired. So far, India has terminated the BITs with 58 countries. India's earlier BITs contained many provisions which could be subjected to broad and ambiguous interpretations. The new Model BIT text balances the investor's rights and obligations and is likely to reduce the possibility of broad interpretations in the context of any investment disputes under the treaty.

India had along with the notice of termination, communicated its intention to re-negotiate a new treaty with the aforesaid countries, based on the new Indian Model BIT text. Yes. India has received response from number of these countries including Switzerland, Tajikistan, Kyrgyz Republic, Turkmenistan, Oman, Qatar, Belarus, Thailand, Zimbabwe, Armenia, Morocco who have come forward to renegotiate a new BIT.
