(e) the other steps taken by the Government to protect and promote MSMEs and for solving their problems / issues relating to fund crunch, timely payments and exporters?

**ANSWER**

MINISTER OF STATE IN THE MINISTRY OF  
MICRO, SMALL AND MEDIUM ENTERPRISES  
(SHRI HARIBHAI PARATHIBHAI CHAUDHARY)

(a): No, Madam. However, all amenable schemes of the Ministry of Micro, Small and Medium Enterprises (MSME) are being brought under DBT (Direct Benefit Transfer), which will increase transparency in the disbursal of scheme funds.

(b): No, Madam. As per statistics compiled by Reserve Bank of India (RBI), the credit to the MSME sector by all scheduled commercial banks at 31<sup>st</sup> March for the last three year is placed in below table:

*(Amount Rs. in crore)*

<b>Year</b>	<b>MSE</b>	<b>Medium</b>	<b>Total MSME</b>
31-Mar-14	851076.78	188838.24	1039915.02
31-Mar-15	961174.17	209851.88	1171026.05
31-Mar-16	996424.94	219582.17	1216007.11
31-Mar-17*	1069821.88	225759.38	1295581.26

*Source: Reserve Bank of India*

*\*Provisional*

From above table it can be seen that credit to MSME has increased from Rs. 1039915.02 crore on March 31, 2014 to Rs. 1171026.05 crore on March 31, 2015 and further to Rs. 1216007.11 crore on March 31, 2016 and further to Rs. 1295581.26 crore on March 31, 2017.

(c): As per the last census (Fourth) of MSMEs with reference to base year 2006-07, the total employment in the MSME sector was 805.24 lakh. Thereafter, as such no census has been conducted by M/o MSME, thus it cannot be said that employment opportunities are declining.

(d): Government has not proposed any enhancement of mandatory purchase limit from small scale units for the public sector.

(e): The Government is implementing a number of schemes to protect and promote MSMEs. Some of them are Prime Minister Employment Generation Programme, Credit Guarantee Scheme, Capital Linked Capital Subsidy Scheme, National Manufacturing Competitiveness Programme, Marketing Promotion Schemes, Entrepreneurship and Skill Development Programmes, Scheme of Fund for Regeneration of Traditional Industries (SFURTI), A Scheme For Promoting Innovation, Rural Industry & Entrepreneurship (ASPIRE). Furthermore, Goods & Service Tax (GST) has in-built provision for solving the delayed payment problems.
