ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI RAM KRIPAL YADAV)

(a) & (b) : Under the Saansad Adarsh Gram Yojana framework, the development of Gram Panchayats has been envisaged through the convergence and implementation of existing Government Schemes and Programmes under the administrative control of respective Ministries without allocating additional funds. The Gram Panchayats adopted under Saansad Adarsh Gram Yojana (SAGY) prepare Village Development Plans (VDP) containing prioritised time-bound activities for holistic progress of the villages through convergence of various central and state government schemes. The Gram Panchayat-wise status of implementation of projects taken up under the Village Development Plans by SAGY GPs in Kerala is furnished in Annexure-I.

(c) & (d) : The Ministry of Rural Development monitors the progress of Saansad Adarsh Gram Yojana Programme through SAGY Management Information System. In order to keep track of the progress of projects listed in the Village Development Plan (VDP), a Tracking Template has been developed and the progress is monitored online. As per data uploaded by the State of Kerala on the SAGY MIS till 28th July 2017, 528 (31%) projects taken up under Village Development Plans are completed.

Annexure- I referred in the reply to Lok Sabha Unstarred Question No. 3037
