- (d): The Central Government is executing Integrated Child Protection Scheme (ICPS) to implement the provisions of the Juvenile Justice (Care and Protection of Children) Act, 2015 (JJ Act), in which State Governments/UT Administrations have major role to play. The Ministry has been requesting the State Governments/UT Administrations from time to time to identify and register all CCIs including SAAs under relevant provisions of JJ Act and set up functional inspection and other Committees to ensure that children in all the CCIs receive the best of care, and are not subject to any kind of abuse and neglect. Under ICPS financial assistance is providing to the State Governments/UT Administrations for setting up, upgradation and maintenance of various types of Children Homes and SAAs under the ICPS. The Rules inter-alia specify standards for physical infrastructure, clothing, bedding, nutrition & diet, as well as rehabilitation measures such as education, vocational training, counselling etc. The State Governments/UT Administrations are required to ensure, through regular inspection and monitoring, that the institutions are run as per the provisions of the Act and the Rules framed there-under.

- (e): As per Section 110 (1) of JJ Act State Government is required to make rules to carry out to purpose of this Act. Under the proviso of this Section Central Government may frame model rules in respect of all or any of matters with respect to which the State Government is required to make rules and where any such model rules have been framed in respect of any such matters they shall apply to the State *mutatis mutandis* until the rules in respect of that matter are made by the State Government and while making any such rules, they conform to such model rules. As such Model JJ Rules, 2016 has been notified by the Central Government, in addition to this MWCD is executing ICPS since, 2009 for execution of JJ Act and for well being of children in difficult circumstances, which includes provision for social audit.
