(d) to (e) The Government has put in place a liberal and transparent policy for Foreign Direct Investment (FDI), including investments from Non-resident Indians (NRIs), wherein most of the sectors are open to FDI under the automatic route. The policy allows special dispensation for

NRI investments in the sector of townships, housing, built-up infrastructure and construction-development projects (which include, but are not restricted to, housing, commercial premises, hotels, resorts, hospitals, educational institutions, recreational facilities, city and regional level infrastructure), without the conditionalities attached to FDI in such projects. It also allows a special dispensation for NRI investments upto 100% under the automatic route in the sectors of Scheduled Air Transport Services, Domestic Scheduled Passenger Airlines, Non-Scheduled Air Transport Services, Non-Scheduled airlines, Chartered airlines and Cargo airlines. Further investment made by NRIs on non-repatriation basis under Schedule 4 of Foreign Exchange Management Act, 1999 (FEMA) Regulation is deemed to be domestic investment at par with the investment made by residents.
