(a) to (e): The Disciplinary Mechanism of the Institute of Chartered Accountants of India (ICAI) is governed by the Chartered Accountants Act, 1949 and the Chartered Accountants (Procedure of Investigations of Professional and Other Misconduct and Conduct of Cases) Rules, 2007.

Disposal of cases is a continuous ongoing process. The information about the disposal of cases during the last five years and the current year is as follows:

	2012	2013	2014	2015	2016	2017	Total
--	------	------	------	------	------	------	-------

Total Cases registered	266	427	443	480	460	474	2550
Total cases already dealt with	266	413	244	134	58	10	1125

As per information received from ICAI, in respect of 25 cases punishment of removal of names from the Register of Members for one year or more, including permanent removal was awarded.

The Ministry has issued directions to ICAI that where complaints have been received from Government Organizations, they should be dealt with in a strictly time bound manner as Public Interest is involved in such cases and disposal be ensured within the time limit laid down for each step.
