ANSWER

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI RAJEN GOHAIN)

(a): Yes, Madam. Zonal Railways have been advised to introduce modern luggage trolleys at railway stations, wherever feasible, through sponsorship from individuals, NGOs, Trusts, Charitable Institutions, Corporate and PSUs/Corporate Houses under their Corporate Social Responsibility (CSR).

(b): State-wise details of facility for persons with disabilities (Divyangjan) are not maintained. As a part of short terms facilities, standard ramps for barrier free entry have been planned at all stations, beginning with A-1, A & B category stations. Around 2075 railway stations over Indian Railways have been provided with standard ramp for barrier free entry.
