**ANSWER
MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI RAM KRIPAL YADAV)**

(a) to (c): To ensure optimum utilization of funds and timely completion of works the Ministry of Rural Development has developed a multi-level and multi-tool system of monitoring of rural development schemes implemented in the rural areas of the country, including Bundelkhand region. The important instruments of monitoring are Review by Union Ministers, On-Line Reporting through programme specific Management Information System, Utilization Certificates/Audit Reports, Performance Review Committee Meetings/Regional Review Meetings, National Level Monitors and Area Officers' Scheme. In addition, DISHA committees chaired by Hon'ble Members of Parliament are constituted to monitor programme implementation. Appropriate objectively verifiable performance indicators for outcomes have been developed for each of the rural development schemes. The Ministry has also developed mobile apps for reporting and verification of physical progress and to get citizens' feedback on implementation of its schemes, viz., Pradhan Mantri Awaas Yojana-Gramin and Pradhan Mantri Gram Sadak Yojana.
