ANSWER

MINISTER OF STATE IN THE MINISTRY OF PANCHAYATI RAJ

(SHRI PARSHOTTAM RUPALA)

(a) to (c) Ministry of Panchayati Raj is not taking any initiative to support enforcement of Cigarettes and Other Tobacco Products (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003 (COTPA). The Constitution recognizes Panchayats as institutions of self government. Panchayats being Local Bodies is a State subject mandated under Part IX and List II (State List) of Seventh Schedule (Article 246) of the Constitution. Article 243G allows discretion to State Legislatures to endow the Panchayats with powers and authority to enable them to function as institutions of local self-governance. However, a National Tobacco Control Programme (NTCP) was launched by Ministry of Health and Family Welfare in 2007-08 to ensure effective implementation of the provisions under the COTPA. Operational guidelines on NTCP lay down the provision of Block and Village level interventions under the programme.

(d) Quarterly Reports submitted by the States/Union Territories (UTs) during each Financial Year to Ministry of Health & Family Welfare and review meetings with States/UTs constitute the monitoring mechanism for implementation of the Programme. In addition, the States submit the annual activities conducted in their States through Programme Implementation Plan.
