ANSWER THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI FAGGAN SINGH KULASTE)

- (a): Yes. Section 15 of Indian Medical Council Act, 1956 prohibits a person other than medical practitioner enrolled on a State Medical Register to practice allopathic medicine in the State. Further, as per the Dentists Act, 1948, a person recognized by law as a dentist may prescribe medicine.
- (b): No. As per Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002 under clause 1.1.3 "No person other than a doctor having qualification recognised by Medical Council of India and registered with Medical Council of India/State Medical Council(s) is allowed to practice Modern system of Medicine or Surgery. A person obtaining qualification in any other system of Medicine is not allowed to practice Modern system of Medicine in any form."
- (c) & (d): Any person who acts in contravention to the provisions of the Indian Medical Council Act, 1956 is liable to be punished with imprisonment and/or fine. 'Health' being a State subject, the primary responsibility to deal with such cases lies with the respective State Governments in order to take stringent action and corrective steps.
