ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF HOUSING AND URBAN  
AFFAIRS

(RAO INDERJIT SINGH)

(a): Yes, Madam. As per Census, 2011, the population of Mumbai and Delhi was 18.41 million and 16.31 million with a density of 19652 and 11320 persons per sq km respectively. Both the cities suffer from overcrowding due to unprecedented migration from rural areas and small and medium towns.

(b): The National Capital Region Plan, 2021 and Regional Plan for Mumbai Metropolitan Region, 2011 are the efforts towards decentralization of economic activities from Mumbai and Delhi to satellite towns by focusing on strengthening the urban infrastructure in them.
