**ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI FAGGAN SINGH KULASTE)**

(a) & (b): Public Health being a State subject, technical and financial support is provided to States/UTs under the National Health Mission (NHM) to strengthen their Health care system including for support to NGOs based on the proposals received from the States/UTs Governments. Information regarding financial assistance to NGOs is not maintained at Central level. As per the information from National AIDS Control Organisation (NACO), it does not release funds directly to NGOs, whose engagement is done by State AIDS Control Society (SACS) based on established and approved norms. The funds to all NGOs are released by the respective SACS out of funds provided by NACO for NGOs led Targeted Interventions/Link Worker Scheme.

The details of funds released under National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPCDCS) and Revised National Tuberculosis Control Programme(RNTCP) is at **Annexure-I.**

(c): The details furnished by National AIDS Control Organization (NACO) is at **Annexure-II.**
