(a) & (b) There are 13912 Industrial Training Institutes(ITIs) in the country(2161 Government and 11751 Private ITIs),affiliated with National Council of Vocational Training (NCVT), wherein training is imparted in 127 designated trades under Craftsman Training Scheme (CTS). The list of ITIs, State-wise/UT-wise including the State of Maharashtra, is attached at **Annexure-I**, and the list of designated trades is placed at **Annexure-II**.

Details of Trades State-wise/District-wise/ITI wise are available in public domain at NCVTMIS portal.

At present 20.36 Lakh trainees are undergoing training in these ITIs. The details of these trainees, category wise, is placed at **Annexure-III**. The demand for a particular course is linked with the market dynamics. DGT is in the process of updating courses at regular intervals. Further, short-term courses provide solution to the lack of demand. Due to dynamics of the market, there is vacancy in few trades. Such trades are revamped into short term courses.

(c) New Industrial Training Institutes (ITIs) are set up by State Government/ UT Administration/Society/Trust registered under Indian Trusts Act/ Societies Registration Act etc. The proposals found conforming to National Council for Vocational Training (NCVT) norms, are approved for affiliation. Further ,a new policy for affiliation norms is being prepared in consultation with all the stake holders including the State Governments.

Besides, the Ministry of Skill Development & Entrepreneurship has taken up initiative to set up ITIs in the following schemes:

(i) Skill Development in 47 LWE Districts (Left Wing Extremism) – The scheme envisages establishment of 47 LWE new Industrial Training Institutes (ITIs) in 47 districts affected by Left Wing Extremism in 10 States. The State-wise details of location of new ITIs are at **Annexure-IV**.

(ii) Enhancing Skill Development Infrastructure in North East States (NE) & Sikkim – The scheme envisages establishment of 22 new ITIs in 8 Northeastern States. The State-wise details of ITIs are at **Annexure-IV**.

(d) The Government of India has approved a new World Bank assisted project Skills Strengthening for Industrial Value Enhancement (STRIVE).The Project envisages integrating and enhancing delivery quality of 500 ITIs including 100 Private ITIs. The project design encourages the industry led Institute Management Committee (IMC) of ITIs to introduce new long and short term courses to respond to local market needs. The project also interalia covers incentivizing the State/UT governments for policy and regulatory reforms that are aimed at improving the operational environment for ITIs and apprenticeship.

(e) The state-wise details of funds released during the last 3 years for **upgradation of Industrial Training Institute (ITIs)** under following schemes are attached as **Annexure V:-**

(i) **The World Bank assisted Vocational Training Improvement Project (VTIP):** The scheme, interalia, covered upgradation of 400 Government ITIs in 34 States/ Union Territories.
