

**GOVERNMENT OF INDIA
MINISTRY OF HEALTH AND FAMILY WELFARE
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**LOK SABHA
UNSTARRED QUESTION NO. 126
TO BE ANSWERED ON 15TH DECEMBER, 2017**

BLOOD BANKS

**126. DR. PRITAM GOPINATH MUNDE:
DR. SHRIKANT EKNATH SHINDE:
SHRI HARI MANJHI:**

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) the details of blood banks functioning at present in the country, State/ UT-wise including Maharashtra;
- (b) whether the Union Government has conducted any study to map these blood banks, if so, the details thereof;
- (c) whether there are disparities across States and within States *viz-a-viz* the number of blood banks, if so, the reasons therefor;
- (d) the details of WHO standard for number of blood banks per million population and India's performance in this regard;
- (e) whether the Government has any plan to start blood banks in community health centres in the country and if so, the details thereof; and
- (f) whether the Government also proposes to start blood banks under Public Private Partnership in near future and if so, the details thereof?

**ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI ASHWINI KUMAR CHOUBEY)**

(a): The details of licensed blood banks in India, State/UT-wise upto June 2017 is annexed.

(b) & (c): Yes. A nationwide baseline assessment was carried out in 2016 which indicated 2672 functional blood banks in the country, inequitably distributed across all States.

The blood banks are clustered in urban and semi-urban locations in all districts barring 74 in accordance with availability of secondary and tertiary health infrastructure in both government and private sectors especially to manage conditions such as genetic blood disorders, cancer and complex surgeries where there is greater need for blood.

(d): As per WHO norms, if 1-3 % of population donates, the basic blood requirement of a country can be met. There is no norm for number of blood banks per million population.

(e) & (f): Health is a State subject. Under National Health Mission (NHM), financial and technical support is provided to States including for strengthening blood services and setting up blood banks in district hospitals as per proposals received from State Governments in their Programme Implementation plans.

Number of licensed blood bank in India State / UT wise up to June. 2017
