MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI RAJEN GOHAIN)

(a) to (c): At present there is no proposal of speed raising of trains on Chennai-Bengaluru-Mysuru line. ERYUAN group of China is carrying out feasibility study of Chennai-Bengaluru-Mysuru corridor for raising the speed of passenger trains to 160 kmph. After submission of the final report detailed deliberations shall be held with all the stakeholders for upgrading the speed of passenger trains on this corridor.
