

**GOVERNMENT OF INDIA
MINISTRY OF YOUTH AFFAIRS & SPORTS
(DEPARTMENT OF SPORTS)**

**LOK SABHA
UNSTARRED QUESTION NO. †1648
TO BE ANSWERED ON 28.12.2017**

Basic Facilities to Sportspersons at State Level

†1648. SHRI HARINARAYAN RAJBHAR:

Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state:

(a) whether the Government is contemplating to provide basic facilities at State level to the sportspersons and if so, the details thereof State-wise including Uttar Pradesh;

(b) whether the Government has received complaints from the sportspersons in this regard and if so, the details thereof; and

(c) the action taken by the Government on such complaints during the last three years?

ANSWER

**THE MINISTER OF STATE (INDEPENDENT CHARGE)
FOR YOUTH AFFAIRS & SPORTS
{COL. RAJYAVARDHAN RATHORE (RETD.)}**

(a) Sports being a State subject, promotion and development of Sports in the country is primarily the responsibility of the State Governments. In order to complement/supplement the efforts of the State Governments in this regard, the Ministry of Youth Affairs & Sports has been implementing various schemes for promotion of sports in the entire country.

A Scheme called “Khelo India – National Programme for Development of Sports” was being implemented by this Ministry from the

financial year 2016-17. The Khelo India Scheme has been revamped in the year 2017-18. The revamped Scheme comprises twelve verticals. Salient features of those verticals of the Scheme which aim to provide facilities to sportspersons and children in States/UTs is given at Annexure – I.

In addition, the Sports Authority of India (SAI) is implementing the following sports promotional schemes across the country to identify talented sports persons in the age group of 8-25 years and nurture them to excel at national and international competitions:

- **National Sports Talent Contest Scheme (NSTC)**
- **Army Boys Sports Company (ABSC)**
- **SAI Training Centre (STC)**
- **Special Area Games (SAG)**
- **Extension Centre of STC/SAG**
- **Centre of Excellence (COE)**
- **National Sports Academies (NSA)**

State-wise details of sports infrastructure sanctioned under Khelo India Scheme in the year 2016-17 and 2017-18 are given at Annexure – II.

State-wise list of SAI Centres along with number of boys and girls trainees being trained under Residential and Non-Residential schemes is enclosed as Annexure-III.

(b) & (c) Since development of Sports in States is primarily the responsibility of State Governments, complaints of sportspersons pertaining to issues within the jurisdiction of State Governments are forwarded to the State Government concerned for appropriate action thereon. Complaints pertaining to issues relating to the Ministry of Youth Affairs & Sports are examined and disposed off as per laid down procedure.

ANNEXURE REFERRED TO IN REPLY TO PART (a) OF THE LOK SABHA UNSTARRED QUESTION NO. †1648 FOR 28.12.2017 ASKED BY SHRI HARINARAYAN RAJBHAR, MP, REGARDING BASIC FACILITIES TO SPORTSPERSONS AT STATE LEVEL

Annexure – I

Khelo India Scheme

Vision

To infuse sports culture and achieve sporting excellence in the country.

Mission

To encourage sports for all thus allowing the population across gender and all age groups to harness the power of sports through its cross-cutting influence, namely, holistic development of children & youth, community development, social integration, gender equality, healthy lifestyle, national pride and economic opportunities related to sports development.

Salient features of verticals of the Scheme which aim to provide facilities to sportspersons and children in States/UTs is as under :

1. Play Field Development : A National inventory of playfields and sports infrastructure will be prepared on a Geographic Information System (GIS) platform for their optimum utilisation. In order to put in place a strong institutionalized mechanism for preserving, protecting, developing and promoting playfields, State and district playfield Associations will be created in all States/UTs on the lines of National Playfield Association of India (NPFAI). District and State level Associations will register existing play areas, map them on the GIS platform and affiliate with the National Playing Fields Association (NPFAI) through district and State associations, thereby creating a National database. Development of playgrounds in all gram panchayats can be taken up in convergence with the scheme of Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) and any other scheme(s) of the State Government/Central Government. It would also include development of model playfields on pilot basis.

2. Community Coaching Development : A cascading model of Community Coach Development will be adopted for development of community coaches across the country. This will involve skill development and certification system. A short term community coaching development programme will be evolved and identified Physical Education Teachers (PETs) nominated by States/UTs will be trained as master trainers or coach developers. Such Master Trainers will, in turn, train other PETs/Volunteers in their respective States/UTs as community coaches and develop teams at community level. Online courses for community coach development will also be developed at primary and advanced levels.

3. State Level Khelo India Centres : A large number of sports infrastructure set up throughout the country are not being utilised optimally due to lack of coaches/part-time coaches, supports staff such as physiotherapists and masseurs, equipment, proper field of play, consumables, day boarding facilities, etc., as well as lack of adequate financial support for meeting recurring expenditure. Accordingly, it is proposed to support better utilization of sports infrastructure belonging to States/UTs through suitable Memorandum of Understanding (MoU) and provide support for engagement of coaches, providing day-boarding facilities as per the Sports Authority of India (SAI) Scheme.

4. Talent Identification and Development : The National competitions involving schools, colleges, Universities and NSFs under Khelo India Scheme, National Championships, and National Sports Talent Search Portal of SAI, will provide a platform for identification of talented sports persons in priority Sports disciplines in which the country has potential/advantage. In addition to selection of prize winners, the duly constituted talent identification committee may also adopt globally accepted scientific methods to spot and identify talent in various sports disciplines. Identification of sporting talent will involve conduct of pan-India trials of children by Talent Scouts (to be engaged for the purpose), in association with States/UTs.

5. Utilization and Creation of Sports Infrastructure

Majority of the schools, colleges and even Universities lack proper play grounds as well as sporting infrastructure in the country. Efforts will be made to utilize the existing available sports infrastructure through a system of active management committee consisting of players and members of neighborhood community as well all over the country especially those under the control of Central Government/State Governments. A suitable mechanism will be evolved to identify gaps in availability of sporting infrastructure across the country and fill these gaps with support under Khelo India. Scheme of Khelo India will also be converged with Members of Parliament Local Area Development (MPLAD) Scheme. The States may also provide for convergence of Member of Legislative Assembly Local Area Development (MLALAD) Scheme with Khelo India Scheme. This Component will have the following two sub components :

- i. University Centre of Excellence Programme: For setting up centers of sporting excellence in selected Universities.
- ii. Creation of Appropriate Sports Infrastructure: Under this component, grants-in-aid will be provided to States/ UTs, SAI etc. to develop critical sports infrastructure and other infrastructure where there are gaps.

6. Support to National/ Regional/State Sports Academies : The sports talents identified under the Scheme will be given the option to join SAI National Sports Academies, State Sports Academies and Sports Schools or Sports Academies established by private sector. Grants-in-aid will be provided for establishment, operation and maintenance of sports academies in respect of identified disciplines to Sports Authority of India, State Governments or to private sector or sports person under Public Private Partnership (PPP) mode for facilitating and supplementing Long Term Athlete Development (LTAD) programme (for 8 years). At least one academy for Para Athletes will be supported.

7. Physical Fitness : An effort will be made to implement a component of physical fitness across all schools in India under Khelo India. National Physical Fitness parameters will be evolved region- wise and a tool kit will be provided to each school to evaluate physical fitness of all school going children throughout the country, in all States/UTs. A mechanism will be evolved to perform an advisory role for integration of Sports and physical education. Sports will be integrated with School education by making it a compulsory subject for which marks will be awarded. This will be done in conjunction with the Department of School Education & Literacy.

8. Sports for Peace & Development : The Government of India, under the Special Package for J&K is providing funds to the tune of Rs.200 crore for enhancement of sports facilities in the State. To ensure optimal utilization of these infrastructure, soft support in terms of coaches, equipment, consumables, technical support, competition etc. will be provided. Efforts will be made to organize block level competitions in respect of sports disciplines popular in the State of J&K for positive engagement of youth. Similar efforts will also be made in case of other extremism and terrorism affected and other disturbed areas.

9. Promotion of sports among persons with disabilities : Financial assistance will be provided to States/UTs and SAI for creation of specialist sports infrastructure for persons with disabilities. Funds required for making stadia disabled friendly / barrier free will be accessed from Scheme for Implementation of Persons with Disabilities Act (SIPDA) of Department of Empowerment of Persons with Disabilities. The funds provided under this head will be used for classification of players, equipment, training and preparation of teams for Paralympic Games and disciplines and competitions.

ANNEXURE REFERRED TO IN REPLY TO PART (a) OF THE LOK SABHA UNSTARRED QUESTION NO. †1648 FOR 28.12.2017 ASKED BY SHRI HARINARAYAN RAJBHAR, MP, REGARDING BASIC FACILITIES TO SPORTSPERSONS AT STATE LEVEL
